CEREMONY SPEAKERS

STUDENT SPEAKER: MS. GRACE BEASLEY

Ms. Grace Beasley is the daughter of Reggie and Faith Beasley of Beaufort, S.C. Ms. Beasley is a TCL dual enrollment student and senior at Whale Branch Early College High School (WBECHS). She and her family moved to Beaufort when her father retired from the United States Marine Corps. While at WBECHS, Ms. Beasley has served as a principal's ambassador, the leader of the Cyber Patriot Team and as a member of several clubs including debate, the National Honor Society and dance. She enjoys traveling with her family, choreographing and studying languages, technology, law, fashion and logic. She is receiving an Associate in Arts and three college certificates from TCL and will graduate from WBECHS in June. She plans to attend the University of South Carolina to study law with a focus on cyber security while also choreographing for artists in her spare time.

COMMENCEMENT SPEAKER: DR. RECHEL ANDERSON

Dr. Rechel M. Anderson, a native of Florence, S.C., graduated from West Florence High School and holds a Bachelor of Arts Degree in Elementary Education from Coker College in Hartsville, S.C., a Master of Arts Degree in Elementary Education from Winthrop University in Rock Hill, S.C., and a Master of Arts Degree in Educational Leadership and a Doctorate in Educational Leadership from Gardner-Webb University in Boiling Springs, N.C. Dr. Anderson's professional career spans nearly two decades in both North and South Carolina, where she has held multiple roles including public-school teacher, assistant principal, principal and director of curriculum and instruction. Dr. Anderson currently serves as Jasper County School District Superintendent. In addition, Dr. Anderson published her first book in December 2022 called "*Professional Walk: An Educator's Perspective*" that discusses her professional journey in educational leadership.

THE ALMA MATER

Born by the water Taught by the sea
TCL TCL We honor thy creed
Born by the water Taught by the sea
Technical College of the Lowcountry
Repeat

Honoring our past
With our hands, heads and hearts
I am worthy and building
With this great first start
Turn dreams into realities
Conquer possibilities
Reaching far and wide
Rising like the tide

Born by the water Taught by the sea
TCL TCL We honor thy creed
Born by the water Taught by the sea
Technical College of the Lowcountry
Repeat

No matter what
This is what you'll see
We turn potential
Into reality
Continuously elevate
The community we serve
With the Matherite formula
An education you deserve

Born by the water Taught by the sea
TCL TCL We honor thy creed
Born by the water Taught by the sea
Technical College of the Lowcountry
Repeat

Important Ceremony Notes

- Please turn off all cell phones during the ceremony. Guests are asked to stay for the duration of the ceremony.
- Pictures of tonight's ceremony are available from photographer Scott Moody. For details, please visit www.tcl.edu/grad
- The Beaufort County Channel is broadcasting tonight's ceremony live online and will rebroadcast the ceremony on the Beaufort County Channel and offer video on-demand online. Visit www.tcl.edu/grad for details and links to the broadcast.
- Because names of candidates for graduation must be furnished for publication prior to commencement, it is possible that some persons listed may not have completed award requirements. The printing of a candidate's name in the program constitutes neither graduation nor the granting of an award.

FACULTY ACADEMIC REGALIA

The use of formal academic dress has its origins in the fourteenth century and can be traced to Cambridge and Oxford Universities. In 1895, a group of representatives met at Columbia University to formulate a code of academic dress for American colleges and universities. This code, revised in 1932 and 1959 by the American Council on Education, prescribes the accepted use of academic regalia. In an academic procession, the participants wear an academic costume consisting of a cap, gown and hood. The hood represents the institution from which the wearer holds his or her advanced degree and also indicates the subject in which the degree is earned. The length of the hood varies for the associate, the bachelor's, the master's and the doctor's degrees. The hood worn for the doctor's degree has panels at the sides, unlike the hoods for the other degrees. The hoods are lined with the official color or colors of the college or university conferring the degree. The color of the trimming on the hood represents the subject in which the degree was earned:*

THE COLLEGE MACE

The ceremonial academic mace emerged in fourteenth century Europe from a combination of the royal scepter and the medieval battle mace. Today, the ceremonial mace is used during commencement exercises to symbolize the authority vested in the college President to act on behalf of the Board of Trustees, faculty and staff to confer academic awards. The Technical College of the Lowcountry mace is hand turned from a solid wood lamination in white oak. The mace is adorned with the vibrantly colored College seal, which has been hand painted on a bronze medallion. The College's four-county service area is displayed under the seal along a brass band that lists Beaufort, Colleton, Hampton and Jasper Counties. True to academic tradition, the mace bearer is the senior member of the faculty in attendance at graduation and leads the faculty processional. **This year's Mace Bearer and Faculty Marshal is Ms. Catherine Goodwin, Assistant Librarian.**

THE COLLEGE SEAL

The College seal was unveiled February 27, 2009. The font style chosen for "Technical College of the Lowcountry" evokes a sense of technology. The year 1868 represents the establishment of the Mather School, while 1968 indicates when the College was officially dedicated to the state of South Carolina. The marsh grass signifies the Lowcountry beauty that surrounds the College, while symbolizing life, growth and vibrancy – traits valued by the College. TCL's important heritage is further depicted through the historical symbol of the Mather School bell tower, which provides a foundation for the College's strong academic environment represented by the open book of learning. At the forefront of the seal, the crest depicts several major symbols. First is the lamp of learning, symbolizing our continued commitment to education. The four waves offer another symbol of our coastal environment and represent the four counties we are equally dedicated to serving: Beaufort, Colleton, Hampton and Jasper. And finally, the oak tree symbolizes strength, a solid foundation and the physical environment that surrounds us.

OUR VISION: The Technical College of the Lowcountry
elevates each student and every community we serve
through transformative technology and exceptional teaching.
